# Quick Start Guide

Do you need you need your mortgage quickly?
Are you in a rush to meet your key condition or closing dates?
Are you negotiating with a seller and need to
get started on your mortgage ASAP?

You are in the right place. Our team is ready to jump on your application. We know which lenders are moving the fastest and are the most reasonable with document requests.
If your application requires an appraisal we can expediate that as well.

Workday, weekend, or after hours; you can get started now:

**Step 1: Fill out my secure online application here:**
Apply Now! The application is intuitive and will let you know which documents we need to get started.
Upload your documents through our client portal.

**Step 2: Schedule a call:**
Book a Meeting! We will make a game plan

**Step 3: Our team is on it!** Be available, check your emails including your junk folder.
We may be reaching out for more information.

We understand that the stakes are high with real estate, and we will be your ally; working hard to meet your key dates and keeping you informed as we progress.

*Looking forward to working with you!*
