A great in home experience for our recent refinance. I highly recommend her services to both individuals and settlement agencies alike.

Tonya was great. Next day service. Came to our home on a Saturday. Very good about wearing a mask and other items to keep it a safe transaction. Extremely professional. I highly recommend her if you need a Notary.

~Ken Cohen

LaTonya was very professional and prompt. I highly recommend her. If I ever need the services that she provides again, without hesitation I would be a repeat customer.

~Clarissa Corbin

LaTonya Wallace-Conyers was just perfect! Over the holiday we had to quickly sign sellers closing documents for the sale of a home that is out of state. LaTonya was responsive, professional, and thorough. We knew we were in the best of hands and that the paperwork would be completed as needed. We could not have asked for a better experience. We would absolutely use her services again and will most definitely recommend her to everyone we know.
