Top 10 Trick-or-Treating Safety Tips for Kids

Stay safe, have fun, and enjoy the treats—not the tricks!

Keep Halloween safe *and* spooky with these must-know tips:

- 1. Adult Supervision:** Never trick-or-treat alone—go with a trusted adult.
- 2. Bright Costumes:** Wear light-colored or reflective costumes to stay visible.
- 3. Glow Up:** Carry flashlights or glow sticks for extra visibility.
- 4. Stay Sidewalk-Savvy:** Walk on sidewalks, not the street.
- 5. Cross Safely:** Look both ways and use crosswalks.
- 6. Check Treats First:** Don't eat candy until it's inspected by an adult.
- 7. Avoid Masks That Obstruct Vision:** Use face paint instead if possible.
- 8. Stick to Well-Lit Areas:** Only visit homes with porch lights on.
- 9. Watch for Traffic:** Be extra alert when crossing driveways or streets.
- 10. Set a Curfew:** Make sure everyone knows when to head home.
