Having Kim by our side made selling and buying our home a breeze.
Kim and Rod N.

Having Kim by our side made selling and buying our home a breeze. With many daunting hiccups along the way, Kim remained patient, diligent and always available even if was to hear me complain at crazy hours of night. She remained steadfast and positive throughout the process reassuring us each step. I'm so glad we had her, as we've never been happier in our new home.

She's the best, truly.

Jennifer C.

“Kim is an excellent realtor. She is knowledgeable, uses resources to assist clients, genuinely committed to her clients and making the home buying process as easy as possible. Kim is always a call or text away and frankly; I wouldn’t have bought a home without her. I have referred her to family friends who have had the same experience. It was a pleasure to work with her and I’m now happy to also call her my friend. Hands down one of the top in the business!

You won’t be disappointed.”

Kim is a great Realtor, and we would recommend her to anyone for a new home.

Adrian R.

Our experience with Kimberly Pyne was fantastic! Kimberly was ready to show all the homes we wanted to view. When my wife and I decided to purchase our new home, Kimberly went into overdrive! She negotiated the price on a home, met with the inspector and added her own list! During the walk through, she noted additional items and requested repairs (in the contract). After the sale, she contacted us regarding the completion of the items and generally just to check to see if we were doing well and happy with our home!

She is a great realtor, and we would recommend her to anyone looking for a new home.

Not only did we sell our home on time as promised, but we gained a friend.

Paul & Georgette L.

"We can't praise our realtor Kim enough. She helped guide us through a successful sale, through a very challenging market where interest rates where constantly rising. Kim used her many contacts, professional pictures, and staging advice to have a steady stream of potential buyers look at our house. She kept us informed of the process along the way and was always reassuring when we felt out of our depth. Not only did we sell our home on time as promised, but we gained a friend. We would highly recommend Kim Pyne for your realtor needs."

Kim was on point to what we would like and what we could afford.

Joanne P.

> ***My husband and I were looking for a summer house with the intention to retire at that house in the future. We had no idea what we really wanted, except to be on the water. We needed to drive down to the shore area each week to view the houses. Kim was on point to what we would like and what we could afford. She was very professional, patient , and astute to our needs and concerns. It's almost 3 years now, and we still receive a note from Kim , remembering our house anniversary. We have since retired, living in a house that we love, thanks to Kim.***
