HOW THE PACKAGES WORK

Choose the service level that best fits the guest count, event style and desired bar experience.

Customize the experience with signature drinks, mocktails, champagne service, upgraded presentation or additional staffing.

Receive a customized alcohol shopping list when included, so the host knows what to purchase for the planned menu.

IMPORTANT: Bar Biology does not provide or sell liquor. Alcohol is supplied by the host/guest. Our bartenders can design signature cocktails around the types of liquor the host chooses to provide, helping create a customized menu for the event.
